

Schedule

Here is our schedule for the upcoming event. We’ve done our best to provide a good mix of topics and skill levels, we hope you’ll find something of interest throughout the day. Our thanks to the speakers listed below for volunteering their time, we couldn't do it without them. If there are schedule changes we will make them here as they happen. We encourage you to check back a few days before the event just in case we have had to move one of your favorite sessions.

Database Administration	Data Warehouse & Business Intelligence	SQL Dev: Soup to Nuts	Strategy And Architecture	Database Development
-------------------------	--	-----------------------	---------------------------	----------------------

Schedule is subject to change.

Friday, Sep 4, 2015 Pre-Conference Schedule

Saturday, Sep 5, 2015 Conference Schedule
