

Schedule

Schedule

Here is our schedule for the upcoming event. We've done our best to provide a good mix of topics and skill levels, we hope you'll find something of interest throughout the day. Our thanks to the speakers listed below for volunteering their time, we couldn't do it without them. If there are schedule changes we will make them here as they happen. We encourage you to check back a few days before the event just in case we have had to move one of your favorite sessions.

DBA 1	Application & Database Development	BI Platform Architecture, Development & Administration	Enterprise Database Administration & Deployment	Professional Development	Strategy and Architecture	Other
-------	------------------------------------	--	---	--------------------------	---------------------------	-------

Schedule is subject to change.
