## Schedule

## Schedule

Here is our schedule for the upcoming event. We've done our best to provide a good mix of topics and skill levels, we hope you'll find something of interest throughout the day. Our thanks to the speakers listed below for volunteering their time, we couldn't do it without them. If there are schedule changes we will make them here as they happen. We encourage you to check back a few days before the event just in case we have had to move one of your favorite sessions.

Sponsor Session Application & Database Development Development Business Intelligence Development Business Intelligence Database Administration, Deployment, Monitoring Architecture Performance Professional Development Virtualization Other

Schedule is subject to change.

## Saturday, Mar 19, 2016 Conference Schedule

	111	112	113	114	115	116	143	144	170
08:30 AM - 09:30 AM	SQL Server	A functional review	Introduction to the	Managing Very	Community Zone	Community Zone	I'm It - Survival	Disaster Recovery	First Look at SQL
	Databaseology: A Deep Dive Into	of Visual Studio 2013 Database	Power BI Desktop	Large Databases with SQL Server	Wayne Sheffield	Wayne Sheffield	Techniques for the Lone DBA	Where to Begin	Server 2016
	Database Internals	Projects	Patrick LeBlanc	Brian Carrig	Level: Beginner	Level: Beginner	Monica Rathbun	Tracy Boggiano	Rick Heiges
