Schedule

Here is our schedule for the upcoming event. We've done our best to provide a good mix of topics and skill levels, we hope you'll find something of interest throughout the day. Our thanks to the speakers listed below for volunteering their time, we couldn't do it without them. If there are schedule changes we will make them here as they happen. We encourage you to check back a few days before the event just in case we have had to move one of your favorite sessions.

| Big Data | DBA - Administration | DBA - Database Development | DBA - Optimization/Tuning | Enterprise BI | IT/Server Administration | QA Automation | Self-Service BI | Storage and Hardware Architecture | Cloud Application Development & Deployment | Professional/Personal Development |

Schedule is subject to change.
