Schedule

Schedule

Here is our schedule for the upcoming event. We've done our best to provide a good mix of topics and skill levels, we hope you'll find something of interest throughout the day. Our thanks to the speakers listed below for volunteering their time, we couldn't do it without them. If there are schedule changes we will make them here as they happen. We encourage you to check back a few days before the event just in case we have had to move one of your favorite sessions.

Advanced Analysis Techniques Application & Database Development BI Information Delivery BI Platform Architecture, Development & Administration Enterprise Database Administration & Deployment

Schedule is subject to change.

Saturday, Jun 4, 2016 Conference Schedule

	Borneo	Madagascar
08:00 AM - 09:00 AM	Registration	
09:00 AM - 10:00 AM	Reporting Services	SQL Server 2016
	2016, a reborn product	Security Enhancements
	LEONEL ABREU	Marek Chmel
	Level: Beginner	Level: Intermediate
	±	±
	DOWNLOAD	DOWNLOAD
0:00 AM - 10:15 AM	Coffee Break	
D:15 AM - 11:45 AM	What Application	Azure Machine
	Developers Should Know About SQL	Learning: From Design to
	Server?	Integration
